

New York Stock Market

New York, September 30.—Further heavy gold engagements abroad and another sudden advance in call loans to 7 1/2 per cent, the highest rate of the year, were the conflicting features around which to-day's stock market revolved.

The local bond market was firm, with renewed demand for special issues. United States government bonds were unchanged on call.

GOVERNOR MANN OPENS EXHIBITION

Which is Largely Attended. [Special to The Times-Dispatch.] Gloucester Courthouse, Va., September 30.—With ideal weather and an immense crowd attending, the first fair held in Gloucester County since 1857 was an assured success.

The nuts, fruits and vegetables are far ahead of the average. The display of horses, cattle and fowls also is very fine. The interest culminated, however, in the display of the following fine farms: Newington, Sunnyside, Elmington, Roaring Springs and East Point.

The question of authority has arisen, both the supervisor and the representative of the Highway Commissioner assuming that each has control over the moving of the road plant.

The Board of Supervisors of Tazewell County has just entered a resolution giving the Commonwealth Development and Investment Company, an Ohio corporation, the right to use the public road from the town of Graham to the town of Tazewell for the purpose of constructing an electric railway.

Indictments Expected. Raleigh, N. C., September 30.—The Wake County grand jury to-morrow is expected to return bills of indictment against officers of the Wake County Jail for alleged unsanitary conditions of a convict camp, and for the reported flagging of a convict.
